

# TREE

25 mn

Trees are like people; they have a destiny. . . This is the story of branches that were thought dead. Gathered up by the river's edge, they become trees once again. This poetic tale without words chronicles the seasons in the life of a tree, mirroring the seasons in the life of humans. Spirits live within the tree yet go unnoticed — They are the heart that beats the sap.

Performed in 2014, OUF! festival off Casteliers- Montréal / 2015, Spring Works Festival de Stratford - Ontario and the festival du conte et de la légende Innucadie, Natashquan / 2016 WEE Festival Toronto / 2017 Casteliers Sundays, Fêtes de bois Flottés Sainte Anne des Monts
